

MASSIVE WHEY GAINER

Massive Whey Gainer is the Ultimate weight gain formula on the market today. For a bodybuilder, the best way to get that protein is in the form of a gainer. But not all weight gainers are created equally. The "original" Gainer formula is better than ever. To gain muscle weight you need a high caloric formula with a 2:1 ratio of carbs to protein and a proper exercise program. Each nutritionally complete dose supplies your body with 55 grams of the highest quality (As measured by Biological Value) peptide-bonded and free form amino acids, predigested complex carbohydrates (glucose polymers), pure crystalline fructose and USP Quality vitamins. Ultimate Nutrition's Massive Whey Gainer is isolated by a complex low temperature processing system to retain immune boosting proteins. No soy protein or artificial sweeteners used

Available in Vanilla, Chocolate, Strawberry and Banana Flavors.
