

Introducing Prostar Peanut Butter and Jelly: Fantastic New Flavor, Same Quality and Value

Ultimate Nutrition proudly introduces new Prostar® Peanut Butter and Jelly flavor whey protein blend. This great-tasting all-whey formula mixes instantly and delivers 25 grams of proteins and more than 6 grams of BCAAs with every serving.

Prostar 100% Whey Protein is produced using a complex low-temperature system that incorporates a proprietary micro- and ultra-filtration process. The result is the highest-quality premium whey protein you can buy.

Prostar 100% Whey Protein contains all the important whey protein fractions such as Beta Lactoglobulin, Alpha Lactalbumin, Glyco-macropeptide, Immunoglobulins, Proteose Peptones, Serum Albumin, Lactoferrin and Lactoperoxidase.

Prostar 100% Whey Protein is the perfect foundation supplement for active people of any age, for muscle maintenance and toning, and the essential health benefits that come with adequate daily protein intake.
