

Introducing Ultimate Nutrition® HydroCool

Hydrolyzed 100% Whey Protein Isolate – Nothing Works Faster!

HydroCool™ is a fast-acting, ultra-pure whey protein hydrolysate blend. Hydrolyzed protein has been processed with a mixture of enzymes similar to those found in the human digestive tract. These enzymes break down whey protein isolate into smaller fractions called peptides, which can be easily and quickly absorbed into the body to rebuild and strengthen muscle tissue.

Rapid Absorption
Fat-Free • Gluten free
Low Cholesterol

Every scoop of HydroCool™ provides 33 grams of premium-quality whey protein isolate and hydrolyzed whey protein isolate, with 15 grams of naturally-occurring essential amino acids and 7.5 grams of branched chain amino acids. Additionally, HydroCool™ has been carefully formulated to taste better than the leading competitors.
