

Ultimate Nutrition®

Clean Whey Protein

Clean Whey has been created with ONLY natural ingredients to deliver a delicious shake. This gluten free, low fat, and low sodium protein-blend was developed to meet the needs of both the athlete and the health-conscious consumer. Both can benefit from the natural source of Calcium found in Clean Whey when supplemented in their everyday diet. It is the nutritional supplement of choice for those who lead an active lifestyle and for those who desire the advantages of a quality-protein source that will help you hit your macros with ease.

Researchers at **Ultimate Nutrition** have developed an elite protein for our customers who desire the competitive edge that comes with innovative products. Ultimate Nutrition's **Clean Whey** is *simply*: A Premier-Tasting, Naturally Flavored, and Naturally Sweetened Whey Protein that provides the "Clean-Gains" of quality protein without any of the filler!

The protein used in **Clean Whey** utilizes breakthrough technology in low-temperature, microfiltration and isolation processes to deliver a customized protein, designed for rapid recovery and to advance your body's ability. With all of the essential and non-essential amino acids to build muscle after intense exercise of both short and long duration,¹ **Clean Whey** packs 25g of high quality protein per serving. Dairy whey proteins have been shown in studies to promote a reduction of body fat,² so to further ensure you see the results you're working for, **Clean Whey** utilizes a unique protein-blend consisting of a powerful combination-ratio of whey protein concentrate, whey protein isolate, and hydrolyzed whey peptides.

Naturally-Sweetened with stevia, **Clean Whey** contains no artificial sweeteners, no artificial flavors, no artificial colors and **ZERO** added sugars. **Clean Whey** has been created with ONLY natural ingredients to deliver a delicious shake. This gluten free, low fat, and low sodium protein-blend was developed to meet the needs of both the athlete and the health-conscious consumer. Both can benefit from the natural source of Calcium found in **Clean Whey** when supplemented in their everyday diet. It is the nutritional supplement of choice for those who lead an active lifestyle and for those who desire the advantages of a quality-protein source that will help you hit your macros with ease.³ Ultimate Nutrition's **Clean Whey** is proof that naturally flavored and sweetened products don't have to taste bad to be good for you!
