

ISOPREME MRP

This specially formulated meal replacement packet was made to include protein, vitamins, minerals and other essential nutrients your body needs to maintain muscle tissue while you reduce calorie intake and optimize fat burning. Each nutritionally complete packet supplies your body with 45 grams of the highest quality (as measured by biological value, BV) peptide bonded and free form amino acids, predigested complex carbohydrates (glucose polymers), oat fiber, and USP quality vitamins.

Available in chocolate, vanilla, strawberry and banana flavors. All available in a 20 serving (76 gram packets) box.
