release blend provides your body with high-quality nutritional support over an extended periods of time.†

All the Essential Amino Acids

With the addition of pea protein isolate, Ultimate Nutrition® Protein Isolate 2 offers a more complete and balanced amino acid profile, including all the essential amino acids and plenty of naturally-occurring BCAAs.

Suitable for Vegans ~ No Animal Anything!

Ultimate Nutrition® Protein Isolate 2 provides the benefits of dairy proteins, but contains no lactose, no cholesterol, and no saturated fat. And to help digest gluten, Protein Isolate 2 includes three digestive enzymes†: protease, bromelain and papain, all of which are derived from non-animal sources.
