

Ultimate Nutrition, Chicken Protein

Ultimate Nutrition's team of researchers formulated **Chicken Protein Isolate** as a cutting-edge chicken protein with a wealth of amino acids (both essential and non-essential), minerals (potassium, iron, calcium, and zinc), and comes in delicious and easy-to-digest flavors. It is Gluten Free, Soy Free, and Dairy Free, and our Chicken Protein Isolate is also Naturally Flavored! It contains more than 2 times the protein per gram of real chicken!

Have you ever felt less than optimal after a whey protein shake? What about soy? Well fear not, **Chicken Protein Isolate** is easily digestible, has a delicious and smooth flavor, and has **no bloating** issues caused by other protein sources.

Amino Acids are the building blocks of proteins and polypeptides, both of which are necessary for Muscle Recovery and Muscle Growth. Recent scientific studies show that the optimal balances of amino acids regulate key metabolic pathways for maintenance, growth and overall health. **Chicken Protein Isolate** was created to deliver the **Ultimate** amino acid balance and is designed for those who are trying to get in shape and reach their peak level fast!

Chicken Protein Isolate was developed to meet the needs of both the athlete and the health-conscious consumer; both can benefit from the natural source of calcium and iron when supplemented in their everyday diet. It is the premiere supplement of choice for those who lead an active lifestyle and for those who desire the advantages of a natural, on-the-go protein that will help you hit your macros.

Ultimate Nutrition realizes that our athletes and fans need the benefits of Chicken Breast and simply don't have the time in their busy schedule to spend in the kitchen, restaurant, or at a seated table. **Chicken Protein Isolate** has all the benefits of a chicken breast in a convenient, easily-mixable and delicious protein shake. Save the time on the grill and get **Chicken Protein Isolate** so you can spend more time in the gym and more time growing!
