

Ultimate Nutrition, Hair, Skin, & Nails

The research team at **Ultimate Nutrition** has created an all-encompassing, scientifically formulated advanced Hair, Skin, and Nails product designed to support the health and structure of cells and tissues within your body. Specifically, this product contains the most advanced form of collagen peptide proteins, **Marine Collagen**, proven to enhance facial skin moisture and elasticity and reduce signs of facial ageing. Supplementation with marine collagen has been shown to **improve skin hydration by 33.3%** as well as provide a **9.51% improvement in skin elasticity** and **4.31% improvement in skin roughness**¹.

This cutting-edge formula also contains ingredients such as Biotin and Hyaluronic Acid which have been scientifically proven to promote healthy, radiant hair, glowing skin and strong nails. **Biotin** is a powerful vitamin shown to support hair growth and **increase nail thickness by up to 25%**² while **Hyaluronic Acid** has been shown to **improve skin texture and appearance** while also decreasing clinical signs of skin aging³.

The vast array of vitamins, minerals, and antioxidants contained in this product helps protect cells from damage, promotes skin hydration and protection from free radicals, and assists in the production of new cells allowing for optimal growth and proliferation of thicker, fuller hair, radiant skin, and stronger nails⁴. Look no further, **Ultimate Nutrition's Hair, Skin, and Nails** product provides the nutrients your body needs to maintain a healthy, nourished, and ageless complexion!
