THE POWER OF **PROSTAR®** 100% WHEY PROTEIN

To meet the needs of athletes, researchers at Ultimate Nutrition® have developed Ultimate Nutrition® Prostar® 100% Whey with all of the essential and non-essential amino acids to help build muscle. Prostar® 100% Whey utilizes a proprietary micro and ultra-filtration process to ensure the highest quality whey protein. Ultimate Nutrition® Prostar® 100% Whey is the nutrition choice for champions, no matter what your goals are!

DIRECTIONS

Mix 1 heaping scoop (about 30g) of Ultimate Nutrition® Prostar® 100% Whey Protein with 8oz (240mL) of water or milk. For a thicker shake, mix with 4oz (120mL) of water or milk. Ultimate Nutrition® Prostar® 100% Whey Protein is instantized, so it will dissolve easily. Take 1-3 servings daily. For Ultimate results, take before and after exercise.

40 YEARS

Ultimate Nutrition® celebrates forty years of innovation and product development. Our focus and passion for performance supplements remains our obsession and promise to our loyal fans.
