

Lose Fat & Build Muscle at the Same Time, with the Same Great-tasting Shake!

The Ultimate Nutrition research team has developed an innovative, dual-action protein-based product that will help burn fat and build muscle in no time! Protein Fat Burner is designed not only to feed muscle growth and stimulate metabolism but also to promote overall health and sustain energy.*

This naturally-flavored, naturally-sweetened shake contains 25g of whey proteins blended for rapid absorption and sustained bioavailability. It's combined with Synephrine* and a fat-incinerating complex of Green Coffee Bean, Green Tea, and Choline Bitartrate that will rev up even the most sedentary metabolism!*

Synephrine can increase calorie burn with a 216.67% boost in resting metabolic rate.* In a recent 60-day study, Green Coffee Bean has facilitated a 5.7% weight reduction vs. control.* Green Tea has the potential to cut waist size by 4.48%, and Choline Bitartrate can shred body fat up to 10% while reducing BMI up to 12%.* And that's not all...hunger is also reduced.* Protein Fat Burner is rounded out with a quick energy release from MCT6 oil.

Available in 910 Gram Bottles

Chocolate UPC: 0 99071 26475 6
Vanilla UPC: 0 99071 26476 3

- 25g Protein per Serving
- Reduces Hunger by 6%, Body Fat by 10% & BMI by 12%*
